## LaunchPad<sup>SM</sup> ~ Exploring Entrepreneurial Options

**So, you want to start your own business... What kind of business?**

- Do you have a great idea and want to start your business from scratch?
- Are you ready to be your own boss and want to learn about buying a franchise or existing business?
- Perhaps you're considering starting a business under the protection of an established corporate umbrella.

**Choose the most convenient date, time and location for you...**

This is your opportunity to talk with a panel of entrepreneurs who have taken different paths to business ownership. Hear their stories, the lessons they learned, what worked, and what didn't.

Presented in an casual setting, this program is designed to allow you to ask tough questions and come away with real life answers.

Our panelists have "been there and done that" and are prepared to share their experiences with **YOU**.

The workshop is **FREE** but a **reservation is preferred**. So, what are you waiting for? Pick-up the phone and call. You have nothing to lose and everything to gain.
