Become a Mentor

Volunteer your time and talents

JWBC is always looking for professionals who can devote a couple hours a month to mentor a women business owner. The areas of expertise needed are varied.

Ask the Expert

JWBC is actively recruiting business professionals to join our “Ask the Experts” panel. Experts are needed in fields such as small business law, insurance, finance, HR, exporting, social media, and procurement, etc. Our experts contribute “tips” from their area of expertise and field questions from JWBC clients and help them solve their business management issues.

Does your company have a match program for volunteer hours served? Please let us know when you apply to volunteer with JWBC.
