Innovation Has Arrived!

Join us to learn more about two new exciting programs in Jax.

First, take a tour of Jacksonville's only CoWork Space. Don't know what co-working is all about? Find out more @ coworkjax.com.

Then hear about the JAX Boldest video contest.. This contest asks residents to brag about the JAX region. We want to know "What are the best things from 2011?"

Find out more @ jaxboldest.com.
